Here's what has happened in the last quarter and what's to come!

As we step into April, there's a renewed sense of energy in the air. Spring brings fresh perspective and momentum, and I look forward to what's ahead for our chapter.

Over the past few months, we've built meaningful momentum through engaging events, strong partnerships, and active member involvement. From our State of the Market presentation with **HUB International** to our Cyber Market Update continuing education session with **Zurich**. This level of participation continues to strengthen our chapter.

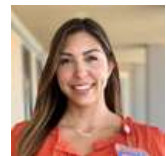

I'd also like to recognize our board of directors who make this chapter so special. A BIG thank you to Tameka Hunter who served the past two years as an impactful leader and President, and to our outgoing board members, Christine Villarreal, who dedicated six years, and Noel Gonzalez, who contributed two years. Your commitment helped shape our chapter and position us for continued success.

On to greater news, we are proud to partner with St. Mary's University in supporting the next generation of risk management professionals through \$30,000 in scholarships this year! It's an honor to invest in these students and their future success. Please join me in recognizing our scholarship recipients: **Amaris Alvarez, Carson Bindseil, Vlad Chiorescu, Marie Culbreth, Arturo Martinez, Julian Vega, and Abdullah Mahi**. Congratulations to each of you!

Looking ahead, we have a strong lineup of opportunities to connect, including our upcoming Clay Shoot and Fiesta Happy Hour. I encourage you to stay engaged and take advantage of these events.

With appreciation,

CHAPTER PRESIDENT- JEANETTE WINKLER
